

24V SURFACE SHALLOW TRACK

Linear system

IP20 Class 2 c  us made in Canada

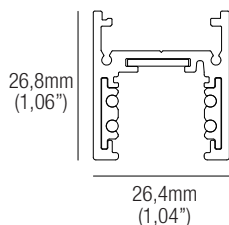

A shallow profile for surface or pendant applications. The LV track range is a miniaturized, highly versatile low voltage track lighting system, crafted with premium-grade materials and finishes. Featuring a no-tool modular configuration for the luminaires, it offers endless adaptability and possibilities.

Un profil peu profond pour les applications en surface ou suspendues. La gamme LV est un système miniaturisé et très polyvalent d'éclairage sur rail basse tension, fabriqué avec des matériaux et des finitions de première qualité. Avec une configuration modulaire sans outil pour les luminaires, elle offre une adaptabilité et des possibilités infinies.

Un perfil poco profundo para aplicaciones de superficie o colgantes. La gama de raíles LV es un sistema de iluminación de bajo voltaje miniaturizado y muy versátil, fabricado con materiales y acabados de primera calidad. Con una configuración modular sin herramientas para las luminarias, ofrece una adaptabilidad y unas posibilidades infinitas.
