A nighttime photograph of an outdoor dining area. In the foreground, a long table with a white tablecloth is set with plates, glasses, and cutlery. Several wooden chairs with blue and red seats are arranged around the table. In the background, a bar area with stools and more tables is visible. The scene is illuminated by large, spherical, woven pendant lights hanging from a wooden pergola structure. The overall atmosphere is warm and inviting.

EXUDING WARMTH AND TIMELESSNESS

The products crafted by Bover embody their unwavering commitment to enhancing spaces with lighting that fosters well-being. They firmly believe that light is as essential as water, air, and food.

Reflecting this belief, their products emanate warmth and timelessness, serving to enrich lives through the harmonious interplay of space and light, creating environments that evoke comfort and vitality.

The image shows the interior of a restaurant. On the left, there is a wall made of rough-hewn stone. The ceiling is white with a network of thin black lines and several cylindrical pendant lights. The floor is made of large, square, light-colored tiles. On the right, there is a mezzanine level with a wooden railing. Below the mezzanine, there are long tables with dark blue upholstered benches and brown leather chairs. The tables are set with plates, glasses, and cutlery. The overall atmosphere is modern and sophisticated.
